I would like to thank all those that have helped me in putting this family together.

I started in 1969 and have been working on and off the family till 2016 when I decided it was time to stop and get this info where others could use it.

You will notice there are several different addresses on the family group sheets as have printed them at different times.

As of the 16th of June 2016 the above is my new and hope last address. I moved from upstairs to down stairs as my kids kept after me to not do the steps as may come a time when I couldn't so best to do when I can, and sure glad I took their advise as know in a few years I would never have been able to make that move. I'm heathy now but you never know from day to day what will happen. The only way to live now is from day to day.

This would actually be Book 2.
Book 1 will have info on Winslow and Rachel Cronkhite Russell who we believe are the parents of Barnabus and 2 daughters who married into the Moon family.
Book 3 will have family info on Bresee amd Russell.
The first book I put together on Barnabus Russell in 1993 could be 1st or last.

Notes

HUSBAND - William Bresee

Research I did in Grant Co. WI.

Faye Francis found a bit of info on one Rachael Parrish b. ca 1794 Hebron, Tolland, CT md William Bresee 1815 dau of William and Sally Parrish. Could be this couple and went to Canada then on to WI?

Lois sent info on William Bresee and Rachel Parrish Bresee. with birth and death dates and maybe buried in Bear Valley cem, Richland Co. WI. (3 Mar 2012) Pic of stone.

Lois Schultz (Jun 2014) sent info that wm and Rachel had fled persecution of other Americans as the Rev. War ended and they had been Loyal to the Crown of England. They came from New England and settled in Ontario. then children ended up in WI. they are buried in the Bear Valley cemetery with their daughter Thankful (Bresee) Davis. another cousin traveled to cemetery and took pictures for Find a grave for me.

WIFE - Rachel Parish

Research I did in Grant Co. WI

Faye Francis found some info on internet reference to Rachael Parrish b. ca 1794 Hebron, Tolland, CT md William Bresee 1815 Hebron, Tolland CT dau of William and Sally Parrish. Could be this family gone to Canada then to WI.

Lois Schultz sent me info that was sent to her on this family. (3 Mar 2012) Rachel Parish born 1799 Canada (memorial stone says 1792) Leeds book says 1799 Other source says could be born Hebron, Tolland, CT. Not sure which is correct.

Internet site of Find a grave shows her grave stone and birth date listed as 1797 and died 12 Dec 1870.

Rachel was 5th born of 8 children, 6 boys and 2 girls

CHILD 1 - Sargent Bresee

Gravestone gives date of birth and death. Census said he was born Canada East.

MARRIAGE: Copied from "Memorable Happenings In The Grant co. Herald 1843-1869" compiled by Cheryl D. Lemanski pub 1991 pg 15 lists Sargent Brasse md to Laura J. Spencer 8 Jan 1845 Platt Timber/Lima from issue 11 Jan 1845 pg 3a2. Obit of Louisa also stated md 8 Jan 18__ (date cut off).

DEATH: Article in the Grant Co. Herald, Lancaster, WI newspaper dated 13 Jan 1863: BRESEE: In Tafton WI, Dec 21st 1862 Mr Sargent Bresee died in his 42nd year. There were no Tafton papers for this time. Researched this in Madison, WI June 1993 and recorded on microfilm #P84-4428

Notes

CHILD 1 - Sargent Bresee (Continued)

Also from Grant Co. Herald newspaper Sep 15, 1863 pg 2a7

Find A Grave internet site has picture of stone and info on Sargent and his wife and parents and 2 children.

Also from above book on pg 15 listed Sargent Brasee of Tafton, widow Louisa J. adm of estate from newspaper dated 27 Jan 1863 pg 2a7.

3 Feb-10 Feb 1863 pg 4: Estate of Sargent Brasee, Jan Term 1863. Regarding the petition of Louisa J. Brasee representing among others, things that Sargent Brasee lately died interstate at his residence in the town of Tafton in Grant Co. Leaving goods chattel and estate within said county and that she is lawful widow of said deceased. Enos P. Finn to be appointed administrator. Held in court 17 Feb Tuesday at 1:00 1863. Publish this order 3 weeks prior to hearing in Grant Co. Herald, Lancaster, WI. Dated 23rd Jan 1863 W.M. McGonigal County Judge.

Sargent Bresee was Constable at Patch Grove, WI in 1859, and 1860-61 in Bloomington, WI. He also listed as Hotel Keeper in census records.

CENSUS RECORDS: 1st census located him was in 1850 Grant Co. Dist. 24 WI pg 24 #2/2 as Sargent Bresee 28 Canada, Louisa 26 NY, Almeda S. 4 WI, Rachel Jane 3 WI, Sally A. 2 WI, Sylvester Russell 10 OH.

1860 Grant Co. Tafton Twp. WI pg 86 #658/638 Sargent Brasee 38 Canada East, hotel Keeper, Louisa 37 NY, Almeda 14 WI, Triphena 8 WI, James Roney 6 WI, Barnabas Russell 13 WI. (not sure if Roney was not a last name?)

1870 Louisa was by herself in Grant Co. Bloomington Twp. and 1875 state census she was by herself and 1880 she was listed as age 57 widow with Elizabeth R. Russell listed as step daughter.

1900 Did locate Louisa in soundex Grant Co. Bloomington, WI. ED 24 Sheet 3: Louisa Brasee b. Mar 1822 NY. Mary E. Strong (relationship L) Sep 1843 46 VT. Paul Nevins boarder Jan 1876 24 WI.

Have not located his parents but could have been William and Rachel Bresee as they were in Grant Co. WI along with Joel Bresee and know he was son of Wm & Rachel. Possibly Thankful Adams Bresee b. 1824 was also a sister who md Abijah S. Davis, since John, Joel & Thankful all born in Canada as that is where Wm & Rachel was from, as well as know John Gould Bresee was son of Wm and Rachel b. in Canada.

CHILD 2 - Thankful Adams Bresee

Sep 2008

Faye Francis found this info on a website, not sure which one then to rootsweb and locted Abijah S. Davis Jr. b. 1850 d. 1870 buried Bear Valley Cem, Richland co. WI. His father Abijah S. Davis b. 1824 d. 1890 born Leeds, Canada. Married Thankful Adams Bresee b 1826 d. 1890 born Upper Canada. Dau of William Bresee and Rachael ?. Children Abijah S., Sally A. and Walter John.

We know John Gould Bresee was son of William and Rachel all from Canada and in Grant Co. WI when John md Phoebe Russell so sure Thankful is a sister but not sure if Adams was the maiden name or Bresee was the maiden name.

I located them in the 1880 census of Buena Vista, Richland Co. WI pg 26b.

N S Davis 55 Canada

Thankful A. Davis 53 Canada

and about 2 doors from them beleive their son Walter John:

W.J. Davis 25 WI

Elizabeth 20 WI wife

Benj. M. 1 WI son

Internet site Find a Grave shows their grave stone Thankful, husband Abijah Sr and Abijah Jr and Sally. close to son Walter and his 2 wives.

CHILD 3 - John Gould Bresee

BIRTH: Census records give approx. date. Name is pronounced Bre zee

MARRIAGE: Marriage recorded Grant Co. WI. Book 1 pg 120 married by E.M. Lewis and list John as farmer, born Mass. Also list parents of both.

The name has been spelled several different ways, such as Bressee, Breese, Bresze, Breeze but most common used Bresee which is what I used here. But pronounced Bre zee CENSUS RECORDS: 1850 Have not located John in 1850 Grant Co. WI census. 1855 state census list John G. Bresee pg 3 with 1 male and 1 female. 1860 Grant Co. Had Lorraine check Ancestry.com for 1900 census and did not locate them anywhere. CHILD 4 - Sally A. Bresee Sally A. Bresee dau of Wm and Rachel Parish Bresee believe to be born 1835 or 1839 maybe in Canada or d. 1839, not sure. CHILD 5 - Joel Bresee Marriage licence Book 3 pge 148 Grant Co. WI. Joel's parents listed and also Ann's parents. Joel listed as farmer, living Lancaster Lois Schultz VA (3 Mar 2012) sent info on Joel Bresee (name pronounced Bra zee) In the Civil War, Company C. 25th WI Infantry. He was discharged for epilepsy in 1863 and he was married and living in Iowa in 1870 and Kansas in 1880. Sargent Bresee was Constable at Patch Grove, WI in 1859, and 1860-61 in Bloomington, WI. He also listed as Hotel Keeper in census records.

CENSUS RECORDS: 1st census located him was in 1850 Grant Co. Dist. 24 WI pg 24 #2/2 as Sargent Bresee 28 Canada, Louisa 26 NY, Almeda S. 4 WI, Rachel Jane 3 WI, Sally A. 2 WI, Sylvester Russell 10 OH.

1860 Grant Co. Tafton Twp. WI pg 86 #658/638 Sargent Brazee 38 Canada East, hotel Keeper, Louisa 37 NY, Almeda 14 WI, Triphena 8 WI, James Roney 6 WI, Barnabas Russell 13 WI. (not sure if Roney was not a last name?)

1870 Louisa was by herself in Grant Co. Bloomington Twp. and 1875 state census she was by herself and 1880 she was listed as age 57 widow with Elizabeth R. Russell listed as step daughter.

1900 Did locate Louisa in soundex Grant Co. Bloomington, WI. ED 24 Sheet 3: Louisa Brazee b. Mar 1822 NY. Mary E. Strong (relationship L) Sep 1843 46 VT. Paul Nevins boarder Jan 1876 24 WI.

Have not located his parents but could have been William and Rachel Bresee as they were in Grant Co. WI along with Joel Bresee and know he was son of Wm & Rachel. Possibly Thankful Adams Bresee b. 1824 was also a sister who md Abijah S. Davis, since John, Joel & Thankful all born in Canada as that is where Wm & Rachel was from, as well as know John Gould Bresee was son of Wm and Rachel b. in Canada.

There was one Thomas Spencer age 24 b. III (1836) in Grant Co. WI, Hickory Grove Twp pg 293 #581/581 with wife Fedelia 20 WI, Julia 2 WI dau. Could be a son? Need to do more checking. MARRIAGE 2: Marriage date copied from the book "Memorable Happenings in The Grant Co Herald 1843-1869" compiled by Cheryl D. Lemanski, pub 1991. Pg 15 Sargent Brasse md to Laura J. OBITUARY: Researched Madison, WI June 1993 Film #P76-1574 1st notice The Bloomington Record, Bloomington, WI 30 Apr 1903 Thurs. pg 7 col 2. "Mrs Brezee, an old resident of Bloomington, passed away at her home on Congress Street Monday the 27th. The Funeral was held Tuesday afternoon, Rev. Daniel Sprague of Lancaster officiating. Old age, general debility and a paralytic stroke were the cause of her death. Mrs Brezee is remembered by two generations of Bloomington folks. An obituary will appear in the record next week." 2nd notice 7 May 1903 Thursday pg 7 col 1 copied this article and in the microfilm copy the far left side of the column was left off and several words that was needed is not available, unless an actual paper still exists. The missing words are needed for some facts. The article was quite lengthy and so have transcribed the most important facts here. Several statements have not been able to be proved to date. ___s Louisa Jenette Brezee, nee Rus(sell-cut off) was born in New York state March ___ 1819 and at the advanced age of ___ars, one month and 27 days passed ___efully away to the better land. ___s Brezee was the oldest of twelve ___ren of whom but three are now ___g. One brother, the youngest of ___amily, Mr Barney Russell, of ___sh Hollow, Wis, who is now pres-___d two sisters, one of Lancaster, ___ and the other of Ft. Dodge, ___ both of whom were unable to be ___funeral services. ---- deceased was first married to David Spencer, and on January 8, ___ she was united in marriage to her ___d husband, Mr Sargeant Brezee. ___ the first union one son was born, ___f the second, four daughters, but ___have all preceded her to the other ___ Something to the effect of forty-four years, or more then one half of her life she has lived in Bloomington. Many years a member of the Baptist church. (rest flowery) Funeral services were held at the Baptist church Wednesday 28th, Rev. H.E. Fuller, officiating. (One sister Jane Ann still living in Lancaster and the one brother living British Hollow but don't know which one was referred to as living at Ft Dodge prob, IA, as didn't locate one living there in 1900 census. Could be Dorothy VandeWall or Phoebe Bresee as don't have death dates for either of them.) Appears to have been Phoebe and her husband and family who were living in Ft Dodge, IA in 1880 census so maybe the same in 1903. Although didn't locate them in 1900 census. CENSUS RECORDS: 1820 would be age 1 year if b. 1819 and have not located parents anywhere but could be living with parents and Barnabas's mother, Rachel Russell in Rens. Co. NY. (right ages for them) 1830 Lewis Co. NY was one Barnabas Russell who had a daughter age 5/10, Louise would be about 10 or 11. 1840 Summit Co. OH was one Barnabas Russell who had a daughter age 15/20 and Louise would be 20 or 21 if not married. 1850 Grant Co. WI list Louisa with husband Sargent Bresee and 3 children and brother Sylvester Russell 10 OH.

Notes

HUSBAND - John Bennett Jr (Continued)

Union cem in 1934. They had 4 children.

this info was from Find a Grave internet site which showed pic of grave stone and other info.

other source listed 8 children, 3 unknown so not sure just how many they had.

WIFE - Tryphena Elizabeth Bresee

She was age 8 in 1860 with parents and haven't located her after that. Obit of mother stated she died before 1903.

She died 12 Apr 1885. A son John Sargent b. 11 Apr and died 13 Apr 1885.

They were initially buried in Lizard cem in Pocahontas Co. then removed Union cem in 1934. This info from Find A Grave on the internet w/picture of stone in Union cem.

e-mail from Lois Schultz, 2604 Casa Court, Virginia Beach, VA 23456 Dec 2009

e-mail address: tidewaterhomes@aol.com

She sent family line of Tryphena Elizabeth Bresee Bennett who was daughter of Louisa Jeanetta Russell and Sargent Bresee. Tryphena married John Bennett Jr. 10 Oct 1875. They had 7 children and this is the line Lois descends from. Couldn't believe we have a connection. Will fill in info later.

Lois said in phone visit 5 Jan 2010 that Lester Bennett was not their son but had been adopted and then he had been adopted again and not sure when the last time was or where he was born or died.

Apparently was later and he may not have been adopted until after the 1880 census which is why he wasn't listed with them.

No place for their marriage but first child was born in Charles City, Floyd Co. IA.

1880 Cedar, Floyd Co. IA pg 253b: John Bennett farmer 46 Scotland, fa-mo Scotland, Truphena 27 WI, wife, Louisa 1 IA dau. I located them in the census from the cd 1880 set, Jan 2010.

Also next page was George Bennett age 35 b. IL and Samuel age 39 IL both with families, they might be connected if brothers to John. forgot to check to see where parents born.

Info on family group from Lois Baty Schultz Mar 2012. Most of what I had but did fill in few dates and places.

CHILD 1 - Lester Bennett

Info from Lois Schultz, Virginia Beach, VA Dec 2009.

Stated Lester was born before 1878 so probably the first child born after their parents marriage in 1875

So if he was born before 1878 he probably had died before 1880 as was not with family in Floyd Co. IA in 1880 as only dau Louisa was with John and Tryphena Bennett.

Lois told me in a phone visit 5 Jan 2010 that Lester was adopted and had a couple different last names and last one was not Bennett but not sure what it was. So am not going to list him as a Bennett child as it isn't actually and have not dates for sure.

Was stated Lester Bennett born before 1878 natural son but adopted bef 1878 and readopted by folks named Bartley.

CHILD 2 - Louise Almeda Bennett

All info from Lois Schultz, Virginia Beach, VA Dec 2009.

Ancestry.com has pic of George & Louise A. Bennett Rathke and Tryphena Bennett and Will. But couldn't print it out.

CHILD 3 - Annie Jeanette Janet Bennett

Info from Lois Schultz Dec 2009.

Since Annie's grandmothers name was Louise Jeanetta I would guess middle name was that.

Said Annie Jeanette or Janet was born in 1880 Charles City, IA in a hotel.

Married William John Rathke 1904 in Enderlin, N. D. and died 1961 Humboldt, IA.

Died Saint Joseph's Mercy Hospital, Fort Dodge, IA and buried Union cem. Humboldt.

Was stated she married 20 Feb 1901 in Corinth, Humboldt, IA to Gerd Gripenburg.

A son John Bennett Jr. 11 Apr and died 11 Apr 1882. They were initially buried in Union cem in Rockledge Co. then removed Union cem in 1934. This info from Find a Grave on the internet website of stone in Union cem. e-mail from Lois Schultz, 1604 Ches Coast, Virginia Beach, VA 23455 Dec 2009 e-mail address: ltschultz@hotmail.com She sent family line of Typhena Elizabeth Brees Bennett who was daughter of Louis Jeanette Brees and George Brees. Typhena married John Bennett Jr. 10 Oct 1875. They had 3 children and this is the last descends from. Couldn't believe we have a connection. Will fill in info later. Lois said in phone visit 5 Jan 2010 that Lester Bennett was not their son but had been adopted and then he had been adopted again and not sure when the last time was or where he was born or died. Apparently was later and he may not have been adopted until after the 1880 census which is why he wasn't listed with them. No place for first marriage but first child was born in Charles City, Floyd Co. IA. 1880 Census Floyd Co. IA pg 257: John Bennett, b. 46 Scotland, (b. 46 Scotland, Tipton 27 WI, wife, Louis 1, 1st dau. I located them in the census from the 1880 and Jan 2010. Also next page was George Bennett age 35 b. IL and Samuel age 35 b. IL both with families, they might be connected to brothers to John. I hope to check to see where parents born. Info on family group from Lois Schultz Nov 2012. Most of what I had but did fill in few dates and places.	
CHILD 1 - Lester Bennett Info from Lois Schultz, Virginia Beach, VA Dec 2009 Stated Lester was born before 1875 so probably the first child born after their parents marriage in 1872 So if he was born before 1875 he probably died before 1880 as was not with family in Floyd Co. IA in 1880 as only dau Louis was with John and Typhena Bennett. Lois told me in a phone visit 5 Jan 2010 that Lester was adopted and had a couple different last names and last one was not Bennett but not sure what it was. So am not going to list him as a Bennett child as it isn't actually and have not dates for sure. Wife stated Lester Bennett born before 1875 (actual son but adopted bef 1878 and renamed by last named Bentley.	
CHILD 2 - Louis Almond Bennett Info from Lois Schultz, Virginia Beach, VA Dec 2009 Ancestry.com has pic of George A. Bennett, father and Typhena Bennett and wife. But couldn't print it out.	
CHILD 3 - Annie Jeanette Bennett Info from Lois Schultz Dec 2009 Since Annie's grandmother's name was Louise Jeanette I would guess middle name was first. Said Annie Jeanette or Janet was born in 1880 Charles City, IA in a hotel. Mother William John Bakes 1904 in England, W. D. and died 1981 Humboldt, IA. Old Saint Joseph's Mercy Hospital, Fort Dodge, IA and buried Union cem. Humboldt. Was stated she married 30 Feb 1901 in County, Humboldt, IA to Gerd Christensen.

Notes

Aunt Tryphena Bennett who lived in Gotham, Grant Co, Wisconsin gave Elsie Rathke Rowe (her niece) an old wooden doll. The doll was hand carved out of "Willow wood" and was given to Aunt Tryphena by "Mrs. Morse" when she was quite old. The doll was said to have been carved and given to a young girl who had lost her parents when they were killed by Indians. The Doll's name when received by Aunt Elsie had (and still has) the name, "Bessie". The doll is of wood but the torso is covered in cloth with cloth extending to the arms and legs allowing them to move. The head and face are all wood with facial features carved smoothly with a dainty nose and small closed lips. the hair which is brown is closely carved to the head but tight ringlets form around the side and back of the head, mid-way down. The wood at the back of the head had at that time and still has a straight crack about 1/4 inch at the widest, that goes straight up and down right in the middle of the back. The hands are carved with open palms and have noticable fingers and thumb. The calves down to the ankle are of wood and painted the same as the arms and hands, a caucasian flesh tone. On the feet are very well-made brown leather shoes. They are attached so well that they are in very nice shape.

In about 1950, Aunt Elise having no children of her own but 5 neices, allowed Joyce Kieffe Lovaas to touch up paint the eyes, lips and face. At that time a pair of red undergarments were placed on the doll and a hand-sewn pale yellow cotton baby dress which had a small amount of lace and very small buttons.

In the mid 1950's Great Aunt Elise gave the doll to her sister Ethel Rathke Jewell in hopes that it would be passed on to a future female in the family. Grandma Jewell stated to her daughters, Alice and Aleta that she would pass it on to the first granddaughter. In 1957, I was born. I was not only the first granddaughter but the ONLY one of 7 grandchildren. I remember when she gave Bessie to me. I would say I was about 4 or 5 years old.

When Great Aunt Elsie who lived in Watertown, SD would visit, she was full of family stories mostly about her cousins and the Rathkes. She would drink tea like an English lady and sit for hours telling and retelling stories about her cousin Lester, the old German traditions with Father, or up to date stories of the "Gray Ladies" of which she belonged. I remember stories of Albert and Jo and Mrs Antrim and of all of the neices.

In 1976 (I think) in the summer I took on the challenge of painting Grandma Jewell's kitchen and eventually the exterior of the house. Aunt Elise and Grandma talked and laughed and told stories. What a site, as usual, me on the ladder, Grandma busily cleaning the kitchen and Aunt Elsie, comfortably seated, and talking, talking, talking. That is when she told me again of the doll history again and how she came to get it from her Aunt Phena.

Subject: Fwd: Little Brown Church & Cemetery

Gladys,

More from my 4th cousin, Andy!

I made it to the church and cemetery and started looking for the Davis marker. I found it in the back part of the cemetery. It's a pretty bronze marker and in good shape. There were more names on it than I was expecting. I then searched for the one son who lived, and owned the place after John Bennett left. He was all they way up in the front row with his two wives.

Now, let's see if I have this straight?

Walter Davis who died in 1830 was Abijah's father, I assume? His wife must have been Lydia, who then married John Williams, after Walter died. John Williams must have been a step-father to Abijah. The only thing here is, the cemetery wasn't started until 1863, so Walter is either buried elsewhere, or they moved him to here later. This Walter was born in 1786, and has to be one of the oldest people buried in the county. I did see one other marker here, with a 1797 birthdate. Anybody born in the 1700's and buried in this county is fairly rare.

Now, Thankful Bresee and Sargent Bresee are siblings. She was born in 1826, and Sargent was born in 1821. It says she came with her parents to Grant County. So who are they? And what happened to them? Is this William their father? He was born in 1791, if his age is correct on his death in 1873. And this Rachel would be their mother? I guess I haven't been paying attention as well as I should, if this has been covered already.

William Bresee - 1791-1873
 Rachel ? - 1792-1870

Sargent - 1821-1862
 Thankful - 1826-1890

I'm curious if she was in Grant County, and Abijah was in Dane County, how the heck did they meet? Unless they knew each other from Canada? I wonder if Thankful followed him to California and back? And how they ended up in Richland County is interesting. Why here of all places?

Any more Bresee children known?

Amazing amount of information on these grave markers. They evidently wanted people to know these things. Wish all markers were this good. I find myself amazed at all I am learning about, in my own backyard.

There are 492 burials in this cemetery and I took pictures of a lot of them yesterday. I will be adding them to findagrave. There was a pure white marker in there that was very striking. It stood out.

There is cross section of roads here, Hwy 130 runs north and south, further north is the little bitty town of Bear Valley. The creek runs north for a long

way yet. Then county hwy B runs west to Sextonville, and then the church road runs east. The creek here is smaller and very winding.

Last picture is a hungry fella in my backyard.

Hope you enjoy my pictures! Are they not better than the average joe?

Andy

Gladys,

This is from Andy in Wisconsin. He drove the trip as he describes it below to the Cemetery where Sargent Bresee's sister, Thankful A Bresee (married Abijah S Davis) and her parents Rachael (Parish) and William Bresee are buried. I never knew that her parents were buried at the same place. Abijah was a colorful guy and went to California to find gold and was pretty successful. He came back to Wisconsin... by the size of the monument and the detail they were proud of their heritage. It has a lot of inscriptions on it.

Thought you might like to see this. I will sent the Cemetery ones in the next email as they are in a separate one from Andy.

Love you,
Lois

Subject: Wednesday's little road trip...

Well, the weather was pretty good yesterday, in the lower 40's. So I jumped in my truck and went on a little trip to see what I could discover.

I found a map that overlayed the township sections over the current roads in Buena Vista township, so I could determine where exactly John Bennett's property was, in relation to today's landscape. I saw that it was on Rushing Water Lane, basically. (see image02) I left my house and headed east to Gotham and then headed east again on county highway JJ. It's roughly four miles from my house to the old Jacob Bennett farm, which is just before Button Cemetery on the right, while the cemetery is on the left. Going past the cemetery, there is a large bluff on the left, just before you get to Bear Creek. There used to be an old concrete bridge there on JJ which was where a fellow crashed into and was killed years ago. It has since been replaced with more a modern bridge. Bear Creek is typical of the many creeks and streams in Richland County. They are nice streams for Brown and Brook Trout, and were probably quite plentiful back in the day. Most of these empty into the Wisconsin River, which this one does.

Just pass the creek a short ways is Hwy 130, which runs north up Bear Valley. It was exactly ten miles from my house to the little brown church and cemetery. I figure it was roughly six miles from the Jacob Bennett farm to the John Bennett

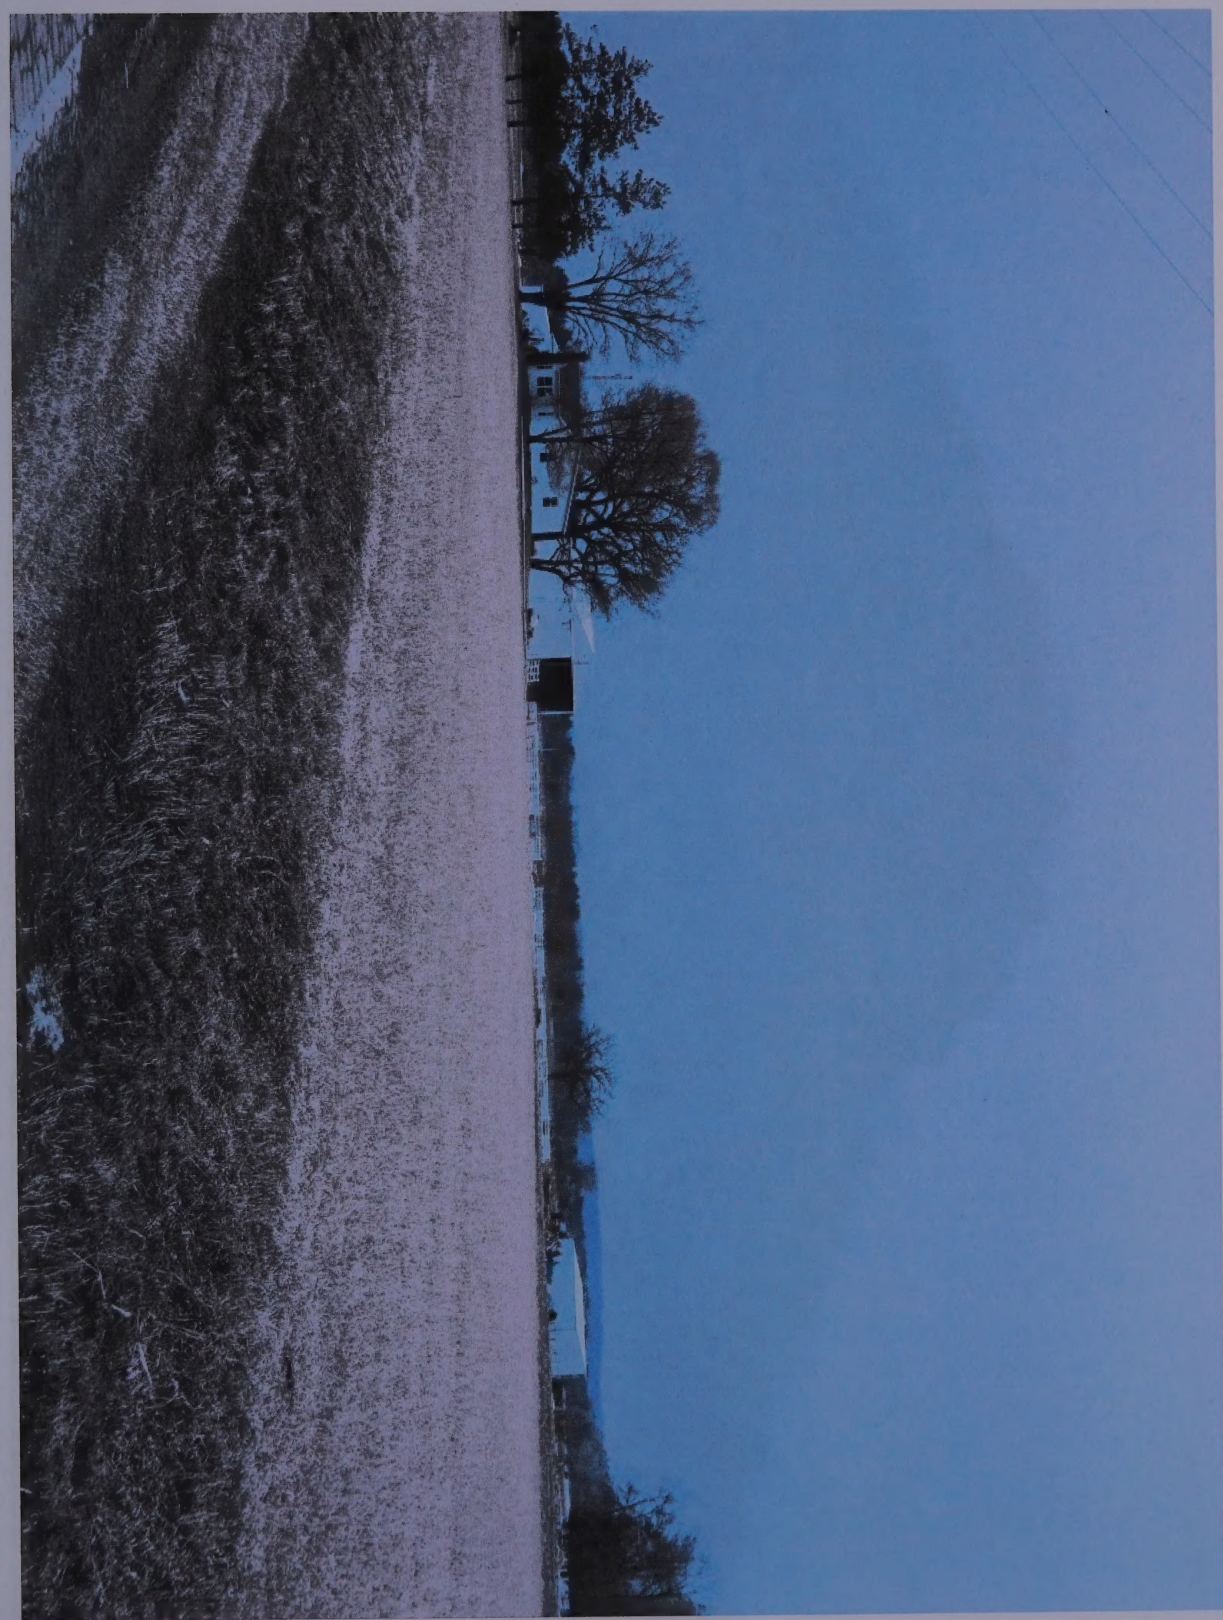

property. It was on the left and just before the church, you can see the church in the distance from the property. I turned on Rushing Water Lane, but didn't go very far in. It crosses the creek and then there is a valley to the left with a farm on it. It looks to be pretty hilly land, with hills all around it. Looks like a very nice place, but maybe not too much level farm land. I pulled out and went up the road a little further and then took a couple more pictures looking back up the valley from the north. You can see a farm in the last picture. Looks like a very scenic place. Too bad John didn't stay there in some respects.

I think we figure John left around 1878, from D.B. Youngs diary. And really, maybe it was the Martin boys who influenced him to head west. They had already went west and they were pretty close to John, as they had lived with him. John didn't go to Fort Dodge right away, he was Floyd County for a time and then he went to Webster County. Maybe the final move to Webster was influenced by his wife's relatives, as you say. We will never know. We do find John in the 1880 census in Iowa, so this date makes sense.

2/25/1878

paid Albert Martin \$18.39 him & J Bennett fixing to start west tonight spent forenoon with them

not going to find much but need something. Was Moms birthday lunch so was on me, which was okay. She buys my lunch when it is my birthday and she has been looking forward to going shopping for few weeks and even gave up playing cards this afternoon to go shopping, which normally she would never do but she knew I was going to dentist on Wed and probably not able to eat much on Thurs and that was only other day could go this week and probably right about not eating much so really enjoyed the salads and pizza and they have the best desert pizza I ever ate, almost better then regular pizza.

Hi Gladys,

Was looking around on the 'net for any information on an Abijah Bresee but did not come up with one thing. However, went into rootsweb and put in just Abijah and found an Abijah S. Davis, Jr., born 1850 died 1870, buried Bear Valley Cem., Richland Co., WI. His father was Abijah S. Davis b 1824 d 1895, born Leeds, Canada. Married Thankful Adams Bresee (Breese) b. 1826 d. 1890, born Upper Canada. Dtr. of William Bresee and Rachael _____. Children of Abijah and Thankful Davis were Abijah S., Sally A., and Walter John.

Wonder if they were relatives of John Gould Bresee and maybe the Abijah in the census came from the Davis bunch and not Bresee. The age for him would not be right as he would have been 30 in the census - unless he had married by then and named his son Abijah, also. Anyway, the fact that Thankful was a Bresee caught my attention and the fact that they were in Wis. made me wonder about them. Never know how those people might be connected.

Cold is somewhat better. Washed one load of rugs and got another one going. Hauled the big vacuum out and will do the 2 rooms and get that put away and then all I need to do is the kitchen and bathroom floors and touch-up stuff and dust. Want everything all slicked up by tomorrow aft. so can relax a bit and find some pictures to show Don. Looked in some of Duane's albums last night and found one he might enjoy.

Did I tell you my g.dtr. called Sat. from Knoxville? She said the stations were all out of gas out there and it was at \$5 a gallon. What a mess this country is in. Took my car out to the Car Wash to fill up Sat. and it was \$3.53 out there. Bet it will go up big-time on Thursday when they change the price.

Got to get to work. Later.

Hi Faye,

Glad you are feeling some better and will with time I am sure. If you have to have a problem, better now then next month I guess.

Finally got home by 3:15 after picking Mom up by 9:45 to go to mall to shop and then to Wal-mart, can't ever get away without going to Wal-mart with her but any way she found nice top and tee to wear with black slacks so will have new outfit and got her electric blanket for her twin bed and some other things she was wanting so that is done for while.

Got caught by a patient there that was completely lost and didn't know where she was or what she was doing, across the hall from Mom so as was leaving she caught me and I don't know what to do with these people so I got her back in her room and made her sit in her chair and pushed the button for help and then told her I was going to help for her and I did otherwise never would get out of there. I think she needs more then assisted living so called Mom to tell her and she said call Mary so I did and told her this wasn't good to have to deal with as I don't know anything about these people and can't leave them in the hallway wandering when they ask for help as well as other people living there shouldn't have to deal with it either so don't know what they will do but she really looked like she didn't feel well either so Mary said she would go check on her, needs more then checking I am thinking.

Sheri called last night and all going okay there and I was telling her about my moving things and she didn't think I was sleepwalking either but thought it was Jerry coming to see I was alright. Like I said I would more believe I was sleep walking then that and now today, this just gets too funny, I went to the car to leave this morning and when went to back up looked at rear view mirror and it was way off from where it was suppose to be and I know I haven't come close to that mirror since I was out of the car Sat and it was fine, now what is going on??????? This is just getting too weird. Sure hope it passes quickly as I certainly wouldn't have been to the garage at night unless I walked over the powder I put on the floor and moved th chair I had in front of the back door, not of this makes any sense at all. She says just to tell the energy everything thing is fine and I know you are there and just go about your thing. This just isn't happening but the funny thing is she says when she is trying to go to sleep sometimes she things she hears people talking or a radio somewhere and knows there isn't and it is just the energy around you and I told her you had the same thing in your WU apartment. I know we have energy around us but this is ridiculous.

May have to check out this Breese/Davis stuff, not sure of a connection but you never know. I do know John Gould Bresee and Sargent Bresee who md the sisters was not for sure even brothers if I remember but they were from Canada. Just looked and the parents of John Gould Bresee was listed as William and Rachel (?) Bresee but do not have the parents of Sargent Bresee.

I am pretty sure Abija S. Bresee 1873 WI- aft 1880 was their son (John and Phoebe) as in 1880 census of Fort Dodge, Webster co. IA and listed as son age 7 b. WI. and you are right I bet that name came from that Davis line, Sounds to me like you found the sister of John Gould Bresee, great, another line, now if can find out if Sargent Bresee is also brother to them. John and Phoebe's first sons name was William Gould Bresee and their last child Abija S. William namd after John's father. Have all their children.

You have so much luck finding info, can't understand why you hven't come across our William since are so good at finding info.

Now just find Phoebe's death would complete more of this picture.

Better put things away from shopping trip, had such a good lunch, buffet at Godfathers Pizza place am

Hi Faye,

I found N.S. Davis and his wife Thankful A. Davis in 1880 census, pg 26 Buena Vista, Richland Co. WI and guess they can't tell an N from an A when transcribing it. Also 2 doors away was their son W.J. Davis age 25, wife Elizabeth 20 and son Benj. M. age 1.

I have never found a connection of Barnabas Russell in Cole Co. IL but one of the daughters death cert. said she was born in Cole Co. IL and I have never located him in that county and thought that was a mistake and now you have. You can just find anything.

Wouldn't surprise me that Sargent and the Goulds are connected as well.

Thanks,
Gladys

Hi Gladys,

Sure don't know what I did but had sent you a long email and it disappeared. Must have hit the wrong button. Damn.

Thankful Adams Bresee Davis and her husband Abijah are in the 1880 census for Buena Vista, Richland Co., WI. Look for N. S. Davis. Don't ask me why but that is what he is under - some misunderstanding. Found it in familysearch. He is 55 and she is 53, both born Canada.

Thankful died 27 April 1890 and is buried in Bear Valley Cemetery, Richland Co., WI. All of them are in the cemetery. Abijah, Sr., died 26 April 1895 and is buried same place.

Found a Sargent M. Davis in 1880 census for Malden, Middlesex, MA, single, 52 yrs., parents b. MA. Living in h/hold of Francis and Sarah T. Jenkins. A few doors away was an Alfred H. Gould and wife Mary, he 29 she 28, both b. MA. Not sure if this ties in with the bunch we are working on or not. Those people drive me nuts with all these connecting names.

I found a Barnabus Russell in Cole Co., IL, who got in trouble with the State of IL because he didn't keep the roads in good repair. This was in 1844. Does he connect anywhere?

Better get busy. Need to fix some supper, take a bath and finish tidying up. Will get the cake in the oven tomorrow and then hunt for some photos to show Don.

but for all purposes they are all related.

Thankful Adams Bresee b. 1825 Upper Canada, dau of Wm and Rachel Bresee.
Md Abijah S. Davis, he also born Leeds, Canada. So again bet she is
the above male's sister. Not sure Adams would be a maiden name and she
md a Bresee before the Davis but I am guessing that was a middle name for
her but only guessing here. Richland Co. not that far from Grant Co. WI.
Now just have to find the death of Thankful Davis in 1890 somewhere or
Abijah S. d. 1895.

Will check my 1880 census and see where they were then if listed.

All this is new wrinkle for sure on the Bresee family and since name has
been spelled so many different ways that one has been hard to chase down.

Notes HUSBAND - John Gould Bresee BIRTH: Census records give approx. date. Name is pronounced Bre zee MARRIAGE: Marriage recorded Grant Co. WI. Book 1 pg 120 married by E.M. Lewis and list John as farmer, born Mass. Also list parents of both. DEATH: Not located them after 1880 in Ft Ddge, IA. The name has been spelled several different ways, such as Bressee, Breese, Bresze, Breeze but most common used Bresee which is what I used here. Gladys,

I will forward you some info for your files.

There are Parish's living around Buena Vista Wis, wonder if there is a connection?

I have found a few items on Joel Bresee, who is the last child of William Bresee and Rachel Parish. Seems he was in the Civil War, Company C, 25th Wisconsin Infantry. He was discharged for epilepsy in 1863, and he was married and living in Iowa in 1870, and Kansas in 1880. He died in 1904 in a government hospital in Washington D.C of epilepsy.

So, this is what I have:

William Bresee born 1791 in Massachusetts
Rachel Parish born 1799 in Canada (memorial stone says 1792) Leeds book says 1799.

Sargent born 1820 - Canada Stone says 1821,
Thankful born 1826 - Canada
John G. born 1832 - Canada
Sally A. born 1835-39 Canada?
Joel born 1840 - Wisconsin

son of Nickerson + Rebeckah Weber

I think the first born was William Parish Bresee b. 1816. who married Tryphena Bissell, child of David Bissell of Leeds Ontario. He remained in Canda. This information is from the History of Leeds and Grenville book copywrite 1879.

There was another daughter, but she must have died before 1850.

Subject: Re: Family: Russell, Bresee, Bennett and points beyond

Hello,

Absolutely, I will send the family pages to show my family relationship from Louisa Jenette Russell to me.

Glad that you were able to get the pictures of Bear Valley Cemetery where William and Rachel Bresee are buried. I have added them to my family tree as both John Gould Bresee and Sargent Bresee's parents based on the years of birth, place of birth, the marrying of sisters, the proximity of land ownership of John Bennetts property to that of Thankful Bresee and Abijah Davis, sister and brother in law to John Gould Bresee and the fact that their parents William and Rachel were living with Thankful and Abijah Davis as shown on the 1870 Census giving good cause for Tryphena Elizabeth Bresee, Sargent's daughter to meet John Bennett, an older gentleman that was 18 years younger. John Bennett was the guardian of his nephews, James and William for roughly 10 years at the time of Tryphena's wedding to John. John's sister, Henrietta had remarried in 1865 after the death in 1861 of her husband, Samuel Martin, the boys' father in. The boys were born in 1850 and 1860 respectively. They moved from John's guardianship to Colorado and South Dakota where they were involved in Ranching. How long that they stayed with their uncle John and Tryphena is not known. They would have been teenagers when John and Tryphena Bennett moved to Iowa. The land John owned was purchased in part by Walter J Davis, son of Thankful and Abijah Davis another reason that I believe Sargent and Tryphena were already related to both Thankful and John Gould Bresee.

I have not added William Parish Bresee as the oldest brother of Sargent, John Gould and Thankful because I am still not done proving it. He stayed in Canada. It seems someone in Canada has him born to Nicholas Bresee and Wife Rebecka Weber. From a naming standpoint alone that doesn't make sense but no matter who the father is, he married Tryphena Bissell at Augusta, Leeds, Canada in 1841 with Azra Parish and Duncan McClean being witnesses. Arza Parish is Rachel Parish's youngest brother. That doesn't make it a deal though as Arza was married to Eliza Bissell so he could have been the witness as a Brother in law vs as both Uncle and brother in law. I am in touch with the gentle man in Ontario who has the website. Funny to see there are so many family members of Rachel's siblings that have the Gould name as a middle name. So far none have repeated the Sargent name. Am wondering if it were a name from William Parish.

On the last email to you I mentioned the wrong date for Rachel's monument inscription. When it says 73 years that would make her two years older than the age when using the date from the book History of Leeds and Grenville as January 6, 1799. That date seems to fit well into the surrounding children ages. Rachel's youngest brother, Azra, was still in Leeds at the time of the making of the book and his opinion was used several places to place facts. I am leaving the date as 1799.

All for now.

Lois

Subject: Pepper/ Revolutionary War

Good Morning, Gladys!

Just hurrying this morning. I thought I had your phone number but can't locate it before I rush off to work.

I was up late last night as I finally found some Peppers that were at Bennington for the Revolutionary War. I have always wished I could find a link between Simeon Pepper who shows up everywhere with the Revolutionary War. He clearly was not at Bennington. I believe that all of the info you have from your Colorado source is accurate with that exception of Barnabas's son's birth. To that end I have been pursuing the Pepper name tirelessly with any tie to the Revolutionary War. There are Peppers from Braintree, MA, In the Massachusetts Soldiers and Sailors of the Revolutionary War, VOL 12 p 130 and 131 there are Peppers mentioned. It states that Pepper has several spellings represented. Though upon close examination the Peppor and Paper and Peper had only one or 2 entries and each stated the service record. Non of them stated Bennington. Under PEPPER, I was able to find Jacob Pepper Sr, Jacob Pepper Jr and Joseph Pepper all of New Braintree, MA (LIKE SIMEON IS) Jacob JR and Joseph were at Bennington on Aug 1777.

Just haven't had time to dig here and match up dates and I will. The 3 are related to each other. I think the sons are brothers to Simeon. They all appear in a lineage of descendants of Robert and Elizabeth(Johnson) Pepper. Simeon Pepper born 1754 in New Braintree Ma even has a daughter named Tryphena. who died at age 15. I need time to research to see how Sarah Jane Potter could fit into this Pepper family.

So far just speculation here but I want to see if one of the sons above or even the Dad could have died in the Revolutionary War. So much fun digging.

Hope this finds you fine and enjoying the beautiful fall colors of Iowa!

Please write when you get a chance. I love to hear how you are doing and keep in touch.

Sincerely,
Lois Baty Schultz

Hello, Gladys,

Thanks for the email and I did really enjoy talking with you too. How unfair of me not to have emailed you in the first place since you and I both know that things in writing are so much easier to transfer to memory and also to document. I have been pressing along and loving every minute though of course sometimes we run around and don't find a thing. I always will admire you doing research without the benefits of computer records and actually looking in the written records. No telling how much gas and time that took. I treasure all of the data that you gathered over the years and keeping such great files on so many branches. As I told you, when I find something I always get your documents out as a measuring stick to see if you have found that fact before or see if I could be going down an already beaten trail. How nice when the trails overlap and I am confirming exactly what you have found to be either a great lead or a confirmed fact. Sometimes I do find new things but generally I have to stray a ways off the strict tree onto other less meaningful branches. Even so, it is painting a picture of where this family has its root and where it meandered over time.

Since November of this year when I finally read a March 2011 email from an unknown 4th cousin, Andy Cockcroft I have been able to branch out with his information and have gone down pathways that I wouldn't even have bothered with. He had been researching the Bennett line of Grant/ Richland Counties Wisconsin since 1994 when his Grandmother passed away leaving him with a farmhouse full of old interesting pictures and information of which he knew very little. He is EXTREMELY resourceful and NEVER gives up. He had connected several years ago with another 4th cousin, Carol, who lives in Boulder Colorado. Together we have taken a ride back in time to 1849 with the immigration of the Bennetts/Bennoch family who arrived from Scotland with their father, John Bennett, SR after the passing of the mother, Ann *Edgar* Bennett who died in the Fatherland. John and his family arrived in PA and then came to Richland County, Wisconsin. Andy is related to Jacob Dixon Bennett, Carol is related to Henrietta Kennedy Bennett and I am related to the elusive and difficult to find John Bennett JR, and of course, Tryphena Elizabeth Bresee, daughter of Sargent Bresee and Louisa Jennette *Russell* Bresee with whom you are familiar.

I had already been a contributor of Find A Grave but was just blown away at the vigor and energy that Andy displayed when driving to cemeteries all over southern Wisconsin and adding the information and some of the most telling photographs seen on the website. Not only has he been interested in the Bennetts but he has driven to the Sargent/Louisa Bresee cemetery in Bloomington, Wisconsin to photograph their graves. I happened to mention my struggle on finding the proof we needed to tie Sargent to the sister Thankful A. *Bresee* Davis and tell him that I had found the parents of Thankful and siblings. He has old maps of the land ownership of many townships in and around Grant Co/ Richland County, he himself living on a portion of his Grandfather's farm overlooking the river there in Richland Co. Do you know that he found John Bennett Jr's land directly adjacent to the north to that of A.S. Davis, husband of Thankful, parents of John and Thankful. So this is very telling as to how Tryphena would have met John Bennett! Also, when Tryphena and John removed to Iowa, a portion of John's land was sold to Walter J. Davis, son of Thankful and Abijah Davis. The Census of 1870 shows Racheal and William, parents to be living with Thankful and husband, Abijah S. Bresee. When I looked on Find A Grave I'd seen the cemetery monument many times showing Thankful and her husband and a couple of children but Andy went there, just 10 miles from his house, and found that Rachel and William are also buried there and there is a memorial to Abijah's Dad Walter Davis who died in Canada, further research finds his father died April 4, 1830 and is buried in the Ripley (an adopted son's) cemetery in Leeds Ontario, Canada. His wife Lydia remarried and lived in Wisconsin. Lydia and new husband, Williams are also buried at this cemetery of Bear Valley, Abijah and Thankful's son Walter J Davis is also buried at the front of the cemetery with wife #1 and Wife # 2. Andy has kindly added the parents now to Find a grave since Rachel and William were overlooked earlier.

You were also on the same path with the lead of Rachel and William by Sandra Brody in your notes. More info on John Gould's parents and more reason I tie them to Sargent Bresee.

William Bresee was born in Massachusetts about 1790 and moved to Leeds County Ontario, Canada with his folks (I am still proving his parents but think it is Peter Bresee). His {John Gould Bresee's} mother, Rachel Or Racheal as it is written in History of Leeds and Grenville printed in 1879 and reprinted in 1972, was born January 6, 1799 in Yonge, Leeds Co. Canada to William Pennock Parish and wife Sally___?___. Her father came to

Canada early, in 1791 from Hebron, Tolland, Connecticut. He is listed as the first citizen of Yonge, Leeds Ontario,

Rachel's mother was Sally (unknown). I am thinking her maiden name could be Adams being this is Thankful's middle name, there are many Adams living in and around Leeds, Ontario. Both Sargent and John Gould Bresee have daughters named Sally A. but nothing can be found to date to know what that A stands for.

Rachel was 5th born of 8 children, 6 boys and 2 girls. A very colorful family, they created a lot of history both in Canada and in the USA when the children emigrated back to America. Both William and Rachel were of E.U. Loyalists blood in the British military and after the Revolutionary War, their families moved to Canada, given land of 200 acres per service of King George III. Then around 1835-1840 William and Rachel and their children reentered the USA coming to Wisconsin. William and Rachel lived with daughter Thankful and husband Abijah S. Davis both of whom were born in Canada. I believe Sargent also born in Canada, had an older brother William Parish Bresee, born 1816, however, someone on the Internet has him born to Nicholas Bresee (I believe a brother of our "father William" also in Leeds). Interestingly enough, William Parish Bresee married Tryphena Bissell of Leeds, Ontario so she was probably the first Tryphena Bresee!!!! Sargent was likely second oldest child in his family with the September 1821 birth. Next eldest was Thankful Adams Bresee b. Aug 2, 1826, then John Gould Bresee born about 1832, who married the sister Pheobe Armitta Russell, Sister of my Louisa Jeanette (Russell) Bresee, wife of Sargent formentioned. They lived last I can find in Fort Dodge, Iowa and had seven children. I do not have a death date for John Gould Bresee yet. One of John's sons, Abijah S also known as "Horace" (Abijah S) moved to Faribault, Minnesota where he and wife Minnie Voss Bresee are buried. The youngest known sibling of Sargent Bresee was Joel, b about 1840 in Wisconsin and served in the Civil War. He married Anna (Anne possibly Ellis) and eventually moved to Jewell County, Kansas having 3 sons.

When beginning my search for the parents of Sargent, I knew that he was born in Canada. I thought it was strange that he appeared to have a Surname for a first name. Also the middle name of John was a surname. I was taking a stab in the dark and googled Sargent and Gould. I found something strange. There is an intersection of 2 brooks Sargent Brook and Gould Brook in Cold River, Rutland, Vermont. Hhhhm. Coincidence??? Then I thought I would throw "Bresee" into the mix. Seems the earliest Bresee of the area was Christopher Bresee of Rutland, Vermont whose "son Peter, a Loyalist left the area for Canada shortly after the Revolutionary War." So then I found Peter Senior and Peter Jr in Leeds, Ontario. I have next to follow up to see if these could be the same Peters and if so if they were the father to William Bresee who married Rachel Parish. This William is said to have been born in Mass. would they go south if going to Canada?? Don't know yet. Just interesting. Peter Bresee doesn't get his land patent until April 3rd 1817 but it is in Bastard, Leeds County, Ontario.

Must add on and send this soon as I almost lost this long email... Andy has offered to try to track the grave of Sarah Jane Potter. He is very interested in finding the final resting place for folks in his area. He is really very helpful. I gave him your notes on the DEATH of Sarah "Jane" Potter Russell just yesterday and we can see if he can see anything.

I have more things that I've found but nothing as forward moving as to find Barnabus and Sarah Jane and parents. That would be fantastic!

Hope all is well with you. A lot of rain today in Virginia but better for family tree digging!

Going to see mom end of March (MN) will see what I can learn at the homestead!

Much love,

Lois

Hi Lois,

Was so nice to talk to you about the family but had a little trouble

listening and writing so know didn't get much of what you said to remember. fI had done a lot on the Bennets but hadn't found any in IN or think you said Michigan. Several of them went to South Dakota.

Don't have a death date for John Gould Bresee as not located him after 1870 census and in 1880 census Fort Dodge, Webster, IA with Phoebe, Wm, Henry, Francis, Mary E and Abija S. age 7 but not located 1900 in Grant Co. WI. Maybe they were somewhere else by then.

Well too much to go into but would like to know who you have in IN & MI?

I haven't done much on genealogy since I moved to the condo as seems my mother has taken a lot of my time and rest of time running for me I seem to be tired all the time and would rather read and rest then anything else. I thought with all the snow we were going to get I would be able to stay at home and work on the books but didn't work out that way. 4th Mildest winter since they started counting.

Later,
Gladys
